

Pediatric Neurosurgery Education Course

FIFTEENTH AAACPN FIRST ANNOUNCEMENT

Second announcement will be coming soon

Fifteenth Asian-Australasian Advanced Course of Pediatric Neurosurgery (AAACPN) is organized by Asian-Australasian Society for Pediatric Neurosurgery (AASPN) and will be held during Nov 7-11 at Mito, Ibaraki, Japan

Course Description: The Asian Australasian Advanced Course in Pediatric Neurosurgery is the Asian Australasian equivalent of the European Course in Pediatric Neurosurgery, which has been successfully organized by the European Society for Pediatric Neurosurgery for over 30 years. The second part of the 5th

cycle of the AAACPN will be held in Mito, Ibaraki, Japan. If you are a neurosurgeon who wants to train to become a pediatric neurosurgeon or if you are a neurosurgical trainee and want to learn more about pediatric neurosurgery and its practical nuances, this is the course for you.

When: November 7-11, 2018

Where: Mito, Ibaraki, Japan
